Answers to Frequently Asked Questions

**Source: specific FAQ for non-profits from the
Official FAQs released by Central Board of Direct Taxes (CBDT)**

Q1 Why have the provisions related to non-profit organisations been revamped in this Bill?

Ans: The Income-tax Act provides for exemptions to various entities including Government funded entities engaged in objects which are charitable in nature. In addition to this, specific exemption is also available to entities engaged in certain activities which satisfy social purposes. These entities receive donations, voluntary contributions and have other incomes from activities which are charitable in nature. The total number of electronically filed returns of such entities till 30th November 2024 for the assessment year 2023-24 is 2,50,682. The total amount applied by such entities for charitable and religious purposes during the FY 2022-23 is Rs 10,01,572.04 crores.

Therefore, it was considered necessary to simplify and consolidate all the provisions relating to non-profit organisations for ease of understanding and compliance.

Q2 Where are the provisions related to non-profit organisations contained in the present Income-tax Act?

Ans: The present provisions related to registered non-profit organisations are contained across the following Chapters:

1. Chapter I: Charitable Purpose sec 2(15)
2. Chapter III: Sections 10(23C), section 11, section 12, section 12A, section 12AA, section 12AB, section 12AC & section 13
3. Chapter VIA: Section 80G
4. Chapter XII: Section 115BBC, Section 115BBI
5. Chapter XII EB: Section 115TD, Section 115TE, Section 115TF

Q3. What are the challenges with the present provisions of the Act related to NPOs?

Ans: The present provisions related to registered non-profit organisations are difficult to comprehend due to the following reasons:

1. Since the provisions are spread across Chapters, there are several cross references.
2. Since the provisions related to registered non-profit organisations evolved with time, several amendments have been brought to the present Act in the form of Explanations and provisos which make them difficult to read. In Section 11 itself, there are 13 Explanations and 16 provisos.
3. The interplay of different provisos and Explanations makes it quite difficult to understand.

Q4 What is the approach followed while redrafting the provisions related to registered non-profit organisations?

Ans: The following approach has been followed while redrafting the provisions related to non-profit organisations:

1. The present Act uses different terms such as trust, institution, university, educational institution, hospital etc. in different provisions. A common term registered non-profit organisation has been used in the Bill in line with the international practices.
2. Section 10(23C) uses the term “approval” while section 12AB uses the term “registration”. In order to avoid confusion, “registration” has been used in the Bill.
3. All the provisions related to registered non-profit organisations have been arranged in Part B of Chapter XVII titled “B.--Special Provisions for Registered Non-Profit Organisation” which comprises provisions corresponding to present sections 11, section 12, section 12A, section 12AA, section 12AB, section 13, section 115BBC, section 115BBI, section 115TD, section 115TE, section 115TF, and the provisions related to approval under the first and second proviso to section 80G(5) of the present Income-tax Act.
4. Redundant provisions have been removed.
5. Some of the provisions have been tabulated for lucid understanding of different scenarios such as the provisions related to:
 - Application for registration;
 - Specified income and the tax year in which it is taxable;
 - Computation of tax on accreted income

Q5 How many words have been reduced as a result of this exercise?

Ans: As a result of the exercise, there has been a substantial reduction of the words from the approximately 12,800 words to 7,600 words.

Q6. What is the structure of the new Part?

Ans: The following is the structure of new Part XVII-B

7. Interpretations

The entire Part related to non-profit organisations has been divided into 7 sub-parts which contain the provisions related to registration, income, commercial activities, compliances, violations, registrations for the purposes of eligibility of donations and interpretations.

Q7 What is the meaning of ‘registered non-profit organization’ which is not used in the present Act?

Ans: The present Income-tax Act uses different terms such as trust, institution, university, educational institution, hospital etc. in different provisions. The term registered non-profit organisation has been defined to mean any person having a valid registration under section 12A, 12AA or 12AB or section 10 (23C) of the Income-tax Act, 1961 and such registration has not been cancelled. The use of common term ‘registered non-profit organisation’ intends to avoid confusion and for lucid understanding of the provisions of the Bill.

Q8 What is the meaning of registration under the new provisions? Is the same word registration now used for approval as well?

Ans: Section 10(23C) uses the term “approval” while section 12AB uses the term “registration”. In order to avoid confusion, “registration” has been defined in the Bill to include provisional registration, provisional approval or approval, as referred to in the second proviso to sections 10(23C) or 12AB (1) of the Income-tax Act, 1961 and under proposed section 332 of the new Income Tax Bill, 2025. However, it does not include approval under the second proviso to section 80G (5) of Income Tax Act, 1961 or section 354 of the Income Tax Bill, 2025.

Q9 Will the existing registered non-profit organisations be again required to get themselves registered under the new provisions?

Ans: There were two regimes for exemption of registered non-profit organisations. The first regime is contained in section 10(23C) and the second one was contained in section 11 to 13 of the Income Tax Act, 1961. There were certain provisions common to both the regimes that were contained in section 115BBC, 115BBI, 115TD, 115TE, 115TF and section 2(15) of the Income Tax Act, 1961. The Finance (No. 2) Act, 2024 provides that no application can be made under the first regime on or after 01st October, 2024. However, the approvals granted under the first regime shall continue to be valid for the period of their approval. They are eligible to apply for registration, subsequently, under the second regime.

As per the provisions of the Bill, all the registered non-profit organisations are eligible to claim benefits. The registered non-profit organisation has been defined to mean any person having a valid registration under section 12A, 12AA or 12AB or section 10 (23C) of the Income-tax Act, 1961 and such registration has not been cancelled.

Thus, the Bill proposes to protect the eligibility of existing registered non-profit organisations under the first as well as the second regime.

Q10 Can you provide an example as to how the new provisions will help better understand the provisions?

Ans: The provisions of the present Act contained several cross references. The Table in the proposed section 332(3) of the Income Tax Bill, 2025 provides the time limits for furnishing application, time limit for passing the order and the validity of registration in different cases in a very simple and lucid manner.

Q11 There is a dedicated proposed section 334 on the taxability of income of the registered non-profit organisations. Is there any additional tax proposed to be levied on the income of registered non-profit organisations?

Ans: No. Since most registered non-profit organisations apply 85% of their regular income for charitable or religious purposes, the taxable regular income in their cases shall be nil and there shall be no tax liability in their hands. However, if a registered non-profit organisation is not able to apply 85% of its regular income or accumulate the same, then regular income for such tax year as reduced by its application for charitable or religious purposes or accumulation thereof shall be its taxable regular income and chargeable to tax.

Q12 What is the concept of specified income and does it propose to tax any new income of the registered non-profit organisations?

Ans: No. No new income is proposed to be taxed. Present Act provides taxability of income scattered in different provisions such as section 13, section 115BBC and section 115BBI for different violations. The Bill seeks to bring all such provisions at the same place.

Q13 The provisions related to capital gains under section 11(1A) have been done away with? Can you explain the rationale behind that?

Ans: Section 11(1A) of the present Income-tax Act provides that where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held,

then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent provided under the said section. Since the cost of acquisition of an asset for the objects of the registered non-profit organisation is considered as application of income, these provisions were redundant and therefore removed.

Q14 Provisions related to deemed application have also been done away with the Bill. Can you explain the reason for the same?

Ans: There are two types of accumulations allowed to the registered non-profit organisations. First, as per the provisions of section 11(2) accumulation is allowed for a period of five tax years. Second, deemed application is allowed as per the provisions of Explanation 1(2) to section 11(1) for certain specified reasons (generally accumulation for one year on account of non-receipt of the income). The dual provisions for accumulation were creating difficulties in implementation and interpretation.

The provisions related to deemed application under Explanation 1(2) to section 11(1) of the present Income-tax Act have been rationalised. This will help reducing litigation and ease the compliance. Accumulation under proposed section 342 of the Bill can be for any purpose stated in the prescribed Form.
